GUIDE TO OBTAINING CRIME INFORMATION

<http://www.police.uk/>

Crime and policing in England, Wales and Northern Ireland

Find your neighbourhood – enter a postcode or location and press search

Eg Postcode LA3 1HJ provides the following:-

Balmoral Road, Lancaster, Lancashire

Heysham North

Lancashire Constabulary

Clicking on the location provides a map of the area and the number of crimes reported at neighbourhood level. It also gives the details of the local NHP team and an e-mail address for the team.

There is then an option to explore the crime map in more detail – simply use the computer mouse to move around the map and zoom in. If you click on a box with a number it provides a breakdown of the types of crime near a particular area. There is also a drop down box menu that lets the user select specific crimes and also historic data (over 3 years)

There are also links under the Performance category to compare crime rates in the area (Lancaster) with the other policing areas in Lancashire.
